

S&P HISTORICAL PERFORMANCE

15 Years • 1/1/2000 – 12/29/2015

Draw your Future Vision of the Market Here

Markets rise and fall over time. While past performance is no indication of what the future might bring, each of us has a feeling about whether the market will rise or fall over the next five years. What is your future vision of the market? Draw your future vision on the right.
